

March is Women's History Month. This month serves as a time to honor the achievements and contributions that women of all backgrounds have made throughout the history of the United States, both by remembering those who paved the way in the struggle for gender equity in the United States, and by recognizing the history-makers and barrier breakers of today.

1. Department of Labor Women's Bureau

Women's legal rights in the workplace.

<https://www.dol.gov/agencies/wb>

2. U.S. Small Business Administration, Office of Women's Business Ownership

Created to help women entrepreneurs. Provides assistance on managing and financing a women-owned small business.

<https://www.sba.gov/business-guide/grow-your-business/women-owned-businesses>

3. Equal Employment Opportunity Commission

Directs how to file a report of harassment or discrimination in the workplace.

www.eeoc.gov/facts/howtofil.html

4. Federally Employed Women (FEW)

As a private organization, FEW works as an advocacy group to improve the status of women employed by the Federal government.

<https://www.few.org/about-us/what-is-few/>
